

# GROW YOUR BUSINESS WITH INTELLIGENT INVENTORY MANAGEMENT

Full visibility of your tooling inventory helps you eliminate administrative hassles, eradicate production delays and cut excessive costs.

## THE HIDDEN COSTS OF UNCONTROLLED INVENTORY

- ⊖ 80% of work is performed with only 20% of tools
- ⊖ 20-30% additional time is spent administering orders due to missing-tool delays
- ⊖ 20% of an operator's time is spent looking for tools
- ⊖ 15% of scheduled jobs are stopped or delayed by not having the right tools available

## IT'S TIME FOR CRIBWISE
